

Property comparison worksheet

The search for a new home is one of the most enjoyable activities in the home-buying process. But when you're scoping out several properties, keeping track of all the choices can be confusing. That's why we've crafted this nifty little worksheet – so you can compare the most important aspects of each potential home.

Features	Property 1	Property 2	Property 3	Property 4
Address				
Price				
Location ~ Neighborhood				
Lot Size				
Landscaping				
Type of Heat				
Style of House				
Kitchen				
Bedrooms				
Baths				
Living Room
